

## American Lincoln Part

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment that are recognized within the industry as strong and durable equipment which meets all the needs of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber with the Clarke Company which is currently also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These types of scrubbers are accessible in the market under the brand name "Encore". American Lincoln has the ability to provide machinery, components and warranty service for these types of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where results and efficiency matter. Recently, this particular floor scrubber model has been requested by the architects in new construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location due to the model's high standard of quality and utmost performance level for polishing concrete.
