

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like offering products that energize both their dealers and their partners and provide production gains to their clients.

The team at TREK enjoys dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills together with their comprehension of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

When needed, the personnel within TREK and its numerous dealer members in both parts and in technical support would be accessible. One of their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery ready and working day by day is top priority. The company's top of the line technology delivers reliable equipment which ultimately reduces your cleaning expense. The price, the service and the product all work as one to be able to make them an industry leader.
