

Fork Mounted Sweeper

Fork Mounted Sweeper - This attachment truly makes industrial sweeping tasks much easier to do. The handy forklift mounted broom is designed for use with either dry or wet material clean ups. It can push snow and squeegee water with no trouble. This accessory is often used in order to clean debris from parking lots, warehouses, construction sites, docks and virtually everywhere it is needed. The forklift sweeper is a low maintenance accessory that utilizes quick-tite fork products to effortlessly mount to the forklift.
